

TRADITIONS,  
INTEGRA & METRO  
Aluminum Blinds

Choose 1" slats in .006 basic gauge or .008 premium gauge and decide on economy or optimal tape spacing to fit your lifestyle and budget.

**TRADITIONS™** Perfectly sized for small window applications or windows with limited mounting space, our Traditions feature a compact 1" x 1" headrail and matching 2 slat valance.

**INTEGRA** If you desire an ultra sleek, modern look, our Integra headrail option is the definitive choice. The Integra headrail features a beautifully beveled design and completely eliminates the need for a valance.

Item No. 18-3537-09

Aluminum Blinds

Traditions Renewed  
for Today's Attitude

Traditions,™ Integra™ and Metro™ aluminum blinds from Lafayette Interior Fashions bring you the very best in function, finishes, style and durability. Fashionable colors, a dust repelling finish and spring-tempered aluminum slats bounce right back to even the toughest treatment making them perfect for any room of the house. Limited Lifetime Warranty.

**TRADITIONS & INTEGRA  
PRODUCT STYLES** Select the product style and slat size from a wide variety of colors that best suits your design needs.

## 2" METRO

New to the Traditions offering is our lavish 2" Metro aluminum blinds for maximum stability, excellent privacy and a distinctly dramatic look. Metro aluminum blinds are perfect for covering deeper, larger windows and add a bold modern statement to your décor.

### Accu-Rise Cordless System

Available only on 2" Metro, our Accu-Rise lifting system lets you raise and lower your Metro aluminum blinds easily without a lift cord. Simply push up on the bottom rail to raise and pull down to lower making it even safer for children and pets.

**Decorative Tapes** Accentuate your 2" Metro aluminum blinds with decorative tapes for a chic designer touch. Our wide assortment

of solids and prints adds a dash of color to complement your color scheme and minimizes route holes for maximum light control.

**Motorization** Large or difficult to reach windows are easy to operate with motorization. You can tilt your slats open and closed by remote control with battery operated motorization on Traditions, Integra or Metro aluminum blinds. You can lift and tilt your Metro Aluminum Blinds with our Ascent™ Sonesse hardwired motorization.

### Light-Ban™

Available on 1" Traditions, 1" Integra and 2" Metro, our optional Light-Ban feature diminishes visible cord holes

to block out unwanted light. Light-Ban blocks 50% more light to provide exceptional privacy and maximum light control.

**WOOD VALANCES** Mix modern with a touch of tradition. The addition of real wood valances and decorative tapes virtually warms up the ultra modern 2" Metro aluminum blinds to heighten the urban appeal. Choose the contemporary Camelot, modern Monarch or the more traditional Majesty valance in one of eight beautiful fine furniture finishes.
