

Imagine the possibilities...

With a variety of valances to complete the look.

The Channel Valance with Sheer Overlay mirrors the SheerVisions perfectly with matching louver insert with fabric. Available option on solid louvers only.

A matching rod sleeve is automatically included with most SheerVision shades, ready to be install on your 4 1/2" flat valance rod.

Majesty

Camelot

Add a cozy touch with the warmth of a wood valance, in two handsome styles, both available in the eight different finishes.

Sheer
VISIONS™
By Lafayette

The beauty of seamless sheers, the practicality of a vertical all wrapped up in one!

Imagine the possibilities...

With a beautifully blending of classic elements!

Imagine the possibilities...

With fabrics that reflect your distinctive sense of style.

Imagine the possibilities... With louvers that can either complement or contrast.

Imagine the possibilities... With a Soft Fashions Style crafted from one of many SheerVisions Fabrics.

Sometimes the window or the room demands more than a shade. Add a simple panel or a pretty top treatment to create a magnificent view with unlimited possibilities.
